RENEWED SUBMISSION UNDER 37 CFR 1.42

On March 27, 2002, the Attorney-Advisor issued a decision on applicant's Submission of Declaration Under 37 CFR 1.42, wherein the request for status under 37 CFR 1.42 was denied because the declaration did not provide the citizenship of the legal representative. Upon receipt of this decision the undersigned attorney analyzed the declaration and discovered that it in fact did contain the legal representative's citizenship. Attached is a copy of the declaration wherein Margaret Ham's citizenship is specified in the second line as the United States of America.

On April 9, 2002, applicants' attorney called the Attorney-Advisor and left a message explaining that the declaration did contain the citizenship. The Attorney-Advisor thereafter left a return message acknowledging that the declaration contained the citizenship and was sufficient to meet the requirements of 37 CFR 1.42.

Based on the above, applicants respectfully request reconsideration of the Attorney-Advisor's March 27, 2002,

Serial No. 09/762,562

Decision on Petition.

Respectfully submitted,
